

## General Information

We hope you enjoy the day as we celebrate 50 years of the TVCC camp work. If you need any information please ask at the Information tent (2 on map).

The information area is also the place to go to register for the High Ropes / Archery activities, in the event of needing 1st Aid treatment or for lost items.

Please note that we cannot be responsible for the care of any children and parents should be responsible for their own children at all times. There is a Crèche area (unsupervised) available for use by parents (5 on map).
